Welcome to Frederick's

We have plenty of experience at hosting customers at the bar and would like to think that we have a broad enough range to satisfy most tastes.

We don't list all of the classic cocktails here but of course we'd be delighted to make them for you - as long as we have the ingredients at hand.

This wine list only includes our offering by the glass, please do ask for our full list should you be interested.

Otherwise please relax and enjoy, though do understand that from 4pm we neither serve coffee at the bar nor do we allow laptops as we don't have that much space here nor do we think the vibe is in keeping with Frederick's of an evening.
