Frederick's

Over the years Frederick's has earned a reputation for its wine list.
We believe the most important elements to any list are quality, value and choice.

We take time and effort - and of course derive much pleasure - from personally tasting every wine before it makes it on the list. We have to thank our suppliers many of whom we have been working with for more than 40 years for their outstanding work in finding niche wines as well as superb examples of the Old World classics. Our substantial cellars, located below the restaurant, allow us to buy wine direct from vineyards and store it perfectly.

With over 400 bins to choose from, our sommelier will be delighted to talk you through some options to suit your menu and your mood.
